Shane Mouzon Memorial Field Dedication

Students and athletes from WA and Carolina Academy, parents, grandparents, family, friends, alumni.... the crowd was large and diverse. The common thread that drew everyone together was honoring the memory of Shane Mouzon.

The Shane Mouzon Memorial Field was dedicated on February 27th and it will stand as a lasting tribute to WA's #1 Fan.

Straight From the Horse's Mouth...

WA Family,

Please let me extend a heartfelt **"THANK YOU"** from Williamsburg Academy as the Shane Mouzon softball field dedication ceremony was truly an event that will be remembered by all. Additionally, I would like to thank Shane's family, guests, and our friends from The Carolina Academy for joining us for this special occasion.

Shane has left a lasting legacy on both WA & TCA athletics that will assist all current and future athletes as they strive to excel in their endeavors. With his dedication and love of both programs, he is tremendously missed.

The new Williamsburg Academy Shane Mouzon Memorial Field solidifies that Shane will always be a part of Williamsburg Academy athletics!

Thank you again for everyone's attendance and support of Williamsburg Academy.

Sincerely,

M. Evan Powell

Athletes Honored

Athletes from around the state were honored Sunday, February 20th at Seawell's in Columbia for the Fall High School Sports Report's All State Banquet. Ellis Johnson, Defensive Coordinator from the University of South Carolina addressed the crowd congratulating the honorees. Three Williamsburg Academy Athletes were honored at the banquet:

Anna Taylor- 2010 HSSR SCISA All-State Volleyball Team

Christopher Kellahan- 2010 HSSR All-Rookie Football Team

Kurt Mead- 2010 HSSR SCISA All-State Football Team

Please continue to send in your items to Miss Terri Hudson for the Terracycle Program. Our school has earned \$303 this year to date. We can continue to accept items through out April and will mail in our final shipment on April 30th. Our school will receive a check in June. What a great way to help the environment and WA at the same time! Please check Terri Hudson's Homework Hero Page for more details.

Third Graders Travel Back In Time

Our third graders recently visited the Francis Marion Living History Encampment. Students experienced life as it was 230 years ago in St. Mark's Parish during the American Revolution. Students visited stations for demonstrations of primitive skills, history exhibits and interesting talks about the time period of the American Revolutionary War.

Science Fair Winners Head to State

Congratulations to the following students who will be representing WA at the SCISA State Science Fair in Orangeburg on April 6th.

Jamison Dail, Josh Rodgers, Raina McKenzie, Todd Brown, Anna Caison Boyd, Catherine Boyd, Loyd Morris

Fifth Grade Update

The fifth grade has been learning how to write a Senryu, a type of Japanese poetry similar to a Haiku. In a Senryu the focus is on "the human condition" rather than nature. Students are submitting their Senryus to The Young Poets Collection to be published and to the The America Library of Poetry's 15th annual poetry contest. Sample Senryus are in the hallway to be viewed by anyone interested in reading a Senryu.

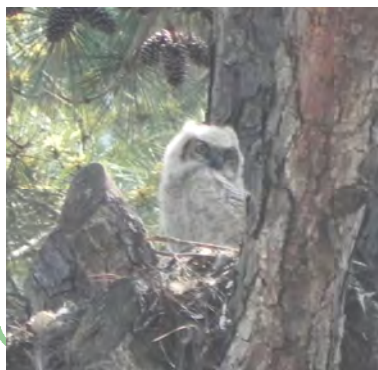

Academic Signing

Williamsburg Academy held its first Academic Signing of the school year on March 3. Students began applying for various colleges in August and collectively over 100 applications were sent. As acceptance letters began coming in the students had to make the final decision about where to continue their education. The Academic Signing allows students to formally announce their intent and gives Williamsburg Academy a chance to honor these students and their fine academic career. The next Academic Signing is planned for April 19th at 10:00 am.

Standing: Mr. Evan Powell (Head of School), Ashley Jarrett (Clemson Bridge Program), Erica McCrea (Columbia College), Destiny Moore (Johnson and Wales), Maggie Love (Clemson Bridge Program), Hanna Evans (Clemson Bridge Program), Anne Miller Adams (Clemson University) **Seated:** John Robert Dinkins (Clemson Bridge Program), Kurt Mead (Clemson Bridge Program), Matthew Williamson (The Citadel)

Welcome to the Family

The newest addition to the WA Family has arrived. Ever since the nest was discovered, students have been anxiously awaiting the arrival of baby owl. Much discussion has been generated and some classes have even examined an owl pellet or two! According to Mrs. Martin, our new friend is big and fuzzy and pops up in the nest every now and then. She says he looks like a masked raccoon. A big thanks goes out to "Miss Elissa" who risked life and limb to climb the jungle gym and get this great picture! Now we just need a name for our cute, little friend! Any ideas?

Basketball Players Honored

A special assembly was held on March 18 to honor the JV Boys Basketball team for their winning season. The team took the title of Tournament Champions as well as Regional Champions! Coach Tracy Johnson congratulated his team and cut down the basketball net for the team. Robbie Heathcott was named Tournament MVP, named as All Tournament was Stavro Najjar.

Other awards went to Martha McClary who was named All Tournament on the JV Girls' Team and Tyler Braynon and Shuler Ward who were named Region All Tournament from the Varsity Boys' Team. All State trophies went to Shuler Ward and Anna Taylor.

Anna Taylor was named Hoop Star of the month earlier this year and came in second place for Hoop Star of the Year.

Happy Birthday Dr. Seuss

Miss Missie's 5K students recently celebrated Dr. Seuss's 104th birthday. One of the fun projects they completed was making their very own "Cat in the Hat" hats. Right: Caroline Johnson and Ellis Bradley pose with their hats.

Relay for Life Events Planned for April 1st and May 13th

The NHS has two events planned to raise money and awareness for Relay for Life. April 1st will be a hat day. Students may donate \$1 to Relay for Life and wear their hat at school. Another Hat Day will be held on May 13th. Also, on May 13th students will be given the opportunity to walk laps around our football field to honor those who lives have been touched by cancer. The NHS will be selling Luminary Bags for \$10. If you would like to purchase a bag in honor of a cancer survivor or in memory of someone who has lost their life to cancer, please look for a form to be emailed home at a later date. Parents are also invited to walk with us on May 13th.

Keep Your Germs to Yourself

Cliff and Clay Small present their virus to the class.

Miss Laura's sixth graders researched various viruses and bacteria and made models to represent their findings.

Caleb Harper puts his model on display.

Seventh Graders Host "Hobbit Feast"

To celebrate the end of a long, difficult Hobbit journey, Miss Elissa's 7th grade literature class brought snacks and goodies for a Hobbit Feast. Each snack was named for something in the book. Students enjoyed Dragon's Claws, Dwarf Fingers, Dragon Droppings, Mirkwood Mud, Dragon's Blood Punch and much more.

Teachers Honored

Mrs. Amy Graham has been named WA's Lower School Teacher of the Year. In addition, she is also one of three top finalist for SCISA Lower School Teacher of the Year.

Mrs. Graham will be honored at a banquet in Orangeburg on April 12th, where the SCISA Teacher of the Year will be announced.

Miss Merianne Cowley has been named the Middle and High School Teacher of the Year for Williamsburg Academy.

Miss Laura Jones was honored at the Williamsburg Hometown Chamber Banquet on March 8th. She was presented with the Lady Bird Johnson Award. This award recognizes her efforts in the area of conservation.
